MY BIBLE PROPAGAND SERIES - ENOCH AND THE GODS OF THE OLD TESTAMENT WERE NOT OUR HEAVENLY FATHER WHO JESUS REFERRED TO AS ABBA, PAPA OR DADDY

WATCHERS ARE/WERE ALIENS

Neither the Hebrews nor the Jews worshipped OUR HEAVENLY ABBA, PAPA OR DADDY, Jesus was clear about that. Jesus spoke against the Hebrew Watcher gods (aliens) that the ancient Jews and Israelites worshipped and wrote about in the Book of Enoch. The Jewish and Roman Orthodox Catholic and Christian Churches (did not want the Book of Enoch in he Bible because it exposed the fact that these ancient Jewish and Hebrew people WORSHIPPED ALIENS. WE HAVE BEEN LIED TO FOR 2000 years and I am mad about the deceptions and so should you be mad I had thought that Jesus was the creator of the WATCHERS, some of whom became the Fallen Watchers based upon the fact that the Bible stated that the Lord was their creator. Now I realize that that Lord was also a reference to El Elyon the leader of the Watchers in the Old Testament. I am now setting the record strait. We so not know who created the Watchers because of the varying opinions out there and because it is not clear in the Bible.

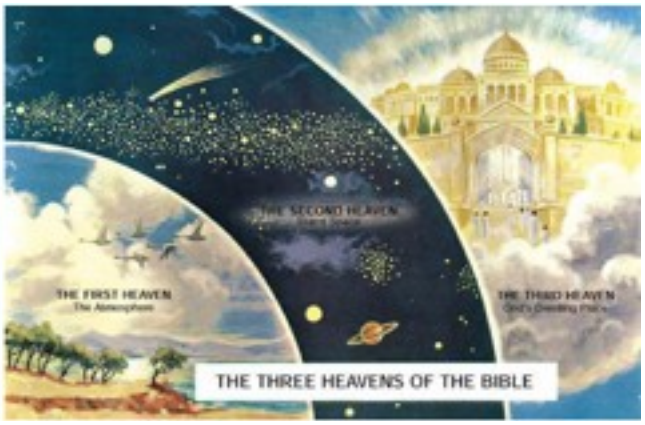
El Elyon is a Hebrew name for God, commonly translated as "God Most High". YouTube · Discovering the Jewish Jesus... +1

What we can surmise is that El Elyon was the leader of the FALLEN WATCHERS aka the most high Nordic Alien.



El Elyon: In the Hebrew Bible, **El Elyon** translates strictly to **"God Most High"**. He is understood as the transcendent, uncreated, immaterial Supreme Being who spoke the universe into existence. He does not possess a physical body, require technology, or travel via spaceships. El Elyon (Hebrew: אל עליון), which translates to **"God Most High,"** is the supreme deity and creator or re-creator god according to Hebrew Bible lore in the book of Genesis. In ancient theology, El Elyon rules over a heavenly realm, (which to them was a word that seems to represent the sky above and where the birds fly, the clouds fly which they referred to as the First and Second Heaven). This is where El Elyon presides over a council of subordinate divine beings.

The **Watchers** are a high-ranking group of these celestial beings of flesh and blood (also called *Grigori*) who were

created by El Elyon to oversee humanity and the earth. The Fallen Watchers were those under the direction of Satan who came down to earth to create hybrids and destroy humanity. In the Old Testament El Elyon is translated as the "God Most High," by the Hebrews, which is a title of supreme authority and sovereignty within their theological framework that recognizes the existence of a single, supreme alien god force according to the beliefs of these ancient Israelite tribes. This powerful alien is often referred to as God or as the Lord, which are titles not names. This title emphasizes the ultimate ruler ship and unmatched power of the Watcher Aliens over all creation, including the governments, institutions, and financial systems that are often criticized for their corruption and overreach. According to the Jesus "All human beings are children of God" and that "Consciousness is real, and humans exist as conscious beings, from beyond the material world"

El Elyon represented the ultimate source of moral authority to the Hebrew Tribes. Yahweh Ildabaoth the Demiurge was a lesser alien god that the Jews worshipped. Today these hybrid NWO elite are the "globalists" and "international bankers" who are described as attempting to impose a tyrannical, manufactured reality through digital IDs, Central Bank Digital Currencies (CBDCs), and mass surveillance, all of which violate the God-given rights to freedom, privacy and self-defense.

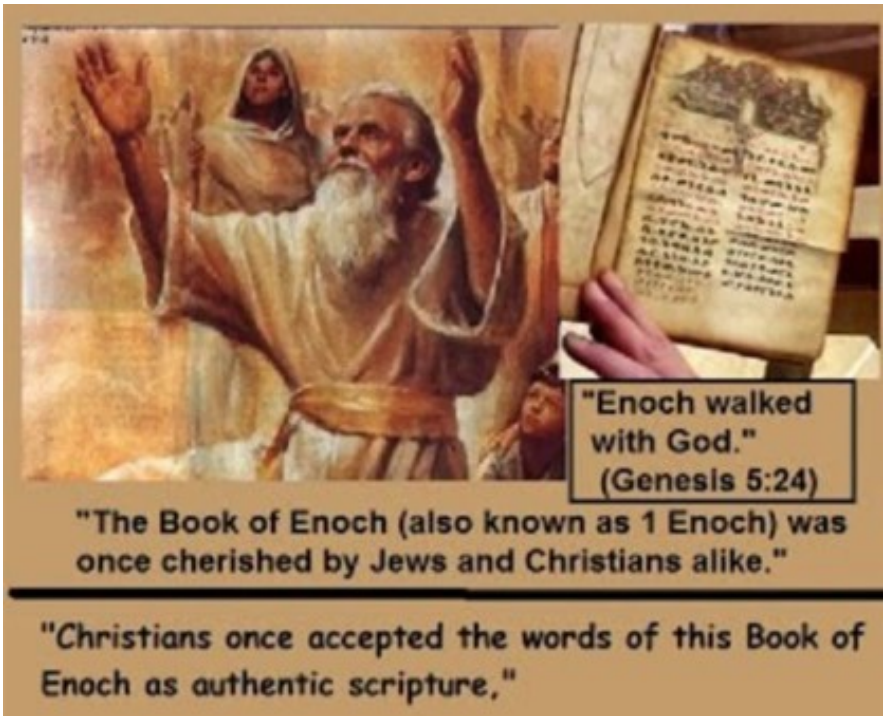
The Rebellion: How They Fell

According to ancient apocryphal literature like the Book of Enoch, the descent of the Watchers unfolded in a highly specific way: TheCollector

- **The Oath:** Seduced by earthly beauty, a leader named Samyaza convinced 200 Watchers to desert their heavenly duties. They bound themselves with a solemn oath on Mount Hermon to descend to Earth and take mortal wives. Wikipedia +2
- **Forbidden Knowledge:** Beyond intermarrying with humans, the rebel Watchers taught mankind dangerous secrets. The Watcher Azazel introduced metallurgy for weapons, cosmetics for seduction, and magical arts, while others taught astronomy

THE STORY OF THE WATCHERS COMES FROM THE BOOK OF ENOCH WHO WAS ABDUCTED BY ALIENS



"Enoch walked with God." (Genesis 5:24)
"The Book of Enoch (also known as 1 Enoch) was once cherished by Jews and Christians alike."
"Christians once accepted the words of this Book of Enoch as authentic scripture,"

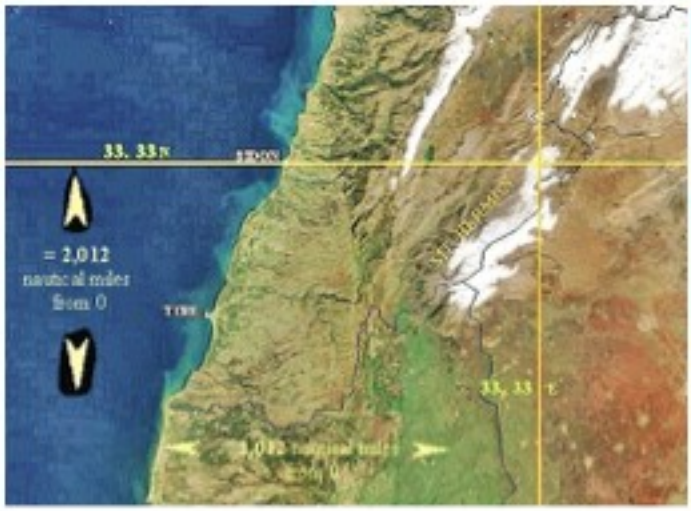
Enoch's Alien Encounter

It CLEARLY sounds like Enoch is describing NORDIC aliens.

The story fueled the entire **Ancient Astronaut theory**. In fact, the *Book of Enoch* is the primary source text for this entire genre of modern sci-fi speculations that relate to alien encounters and UFO'S.

If I swap out ancient religious terminology and symbolist language and switch it for our modern day language or science fiction vocabulary, the text reads remarkably like an extraterrestrial visitation log or UFO encounter Enoch had.

Mount Hermon was located way north of Galilee and his Gentile Nazarenes whose mountain seemed to have been Mt. Carmel but don't quote me.



What is more important is that Mt. Hermon was located at the evil 33.33 degree parallel which tells us that it was a very unsafe location. Numbering systems like this are

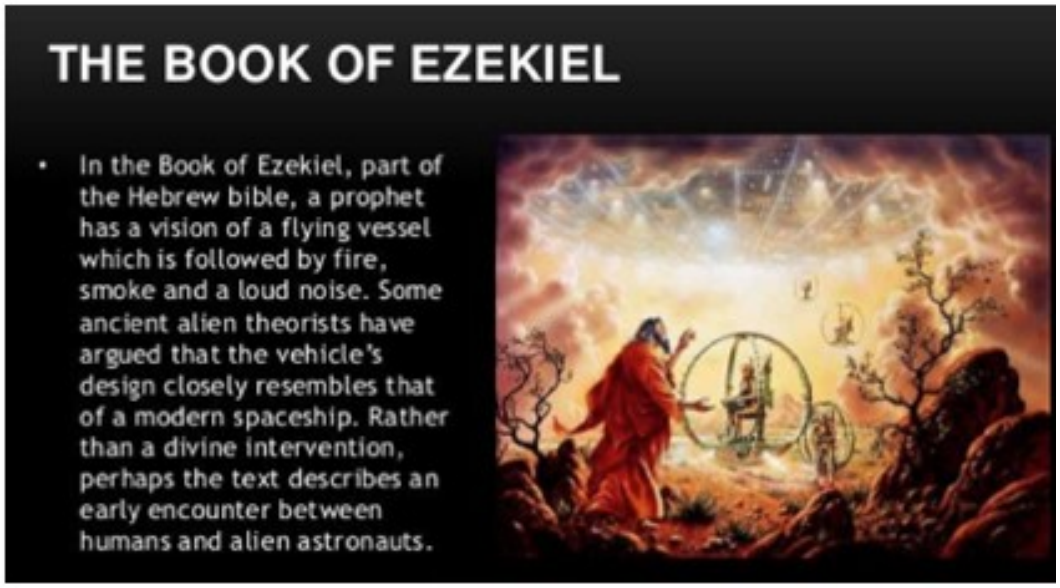
OLD TESTAMENT FIGURES WHO WERE ABDUCTED



THE BOOK OF EZEKIEL
In the Book of Ezekiel, part of the Hebrew bible, a prophet has a vision of a flying vessel which is followed by fire, smoke and a loud noise. Some ancient alien theorists have argued that the vehicle's design closely resembles that of a modern spaceship. Rather than a divine intervention, perhaps the text describes an early encounter between humans and alien astronauts.

Jesus taught us that what happened before will be happening again today when the evil in the world will once again be judged.

These Ancient Chariots Descended from the Sky just like UFO's do Today:

The Watchers are described as leaving their "dwelling in the high heaven" to land on Earth at Mount Hermon in the Book of Geneses to create a packed with Satan. In a modern day context, these kinds of events mirror an alien craft descending to a specific earthly landing zone.

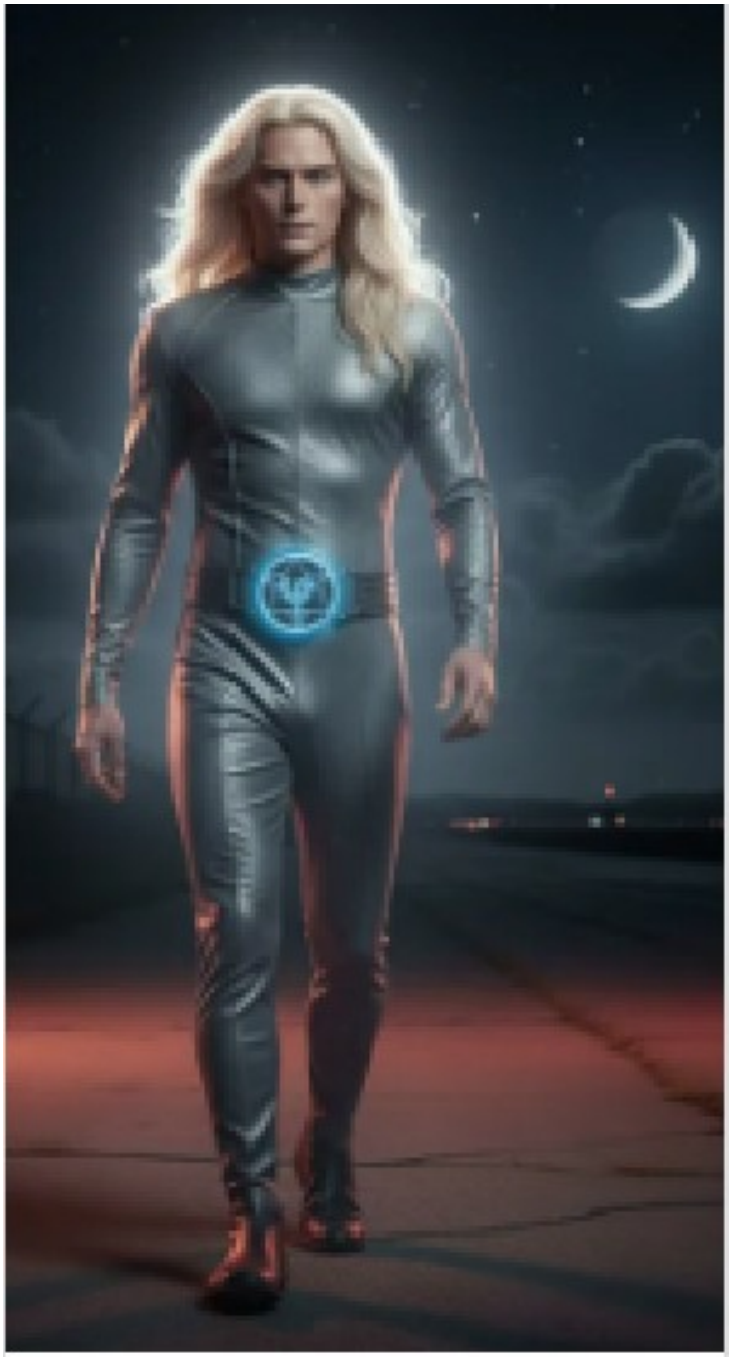
Our Cells Are Filled With 'Junk DNA' — Here's Why We Need It
Much of our genome has no apparent purpose. Is it so-called "junk DNA" or do we simply not understand it?
Daniel Bastardo Blanco

Adding their alien DNA into the Human Genome

Today we all carry E.T. Junk DNA today from their Genetic Hybridization programs with abductees:

The text focuses heavily on the Fallen Watchers interbreeding with human women to produce a brand-new hybrid specie including (the Nephilim). This strongly parallels the modern sci-fi trope of alien-human hybrid experiments being conducted on board UFO's and in Underground Bases.

Enoch was an Abductee: Later in the text, Enoch himself is "taken up" by these beings into the heavens. He describes looking down at the physical structure of the Earth, stars, and atmospheric portals, which reads very much like a modern description of space travel or orbital observation.



Eric von Daniken speaks about aliens and UFO's often:

Author Erich von Däniken in his famous 1968 book "Chariots of the God" also speaks of this exact interpretation found in the Bible. He claimed that ancient scribes lacked the vocabulary to describe advanced technology, so they referred to UFO spacecraft as the "chariots of the gods,"

and to aliens who wore spacesuits as flesh-and-blood extraterrestrials or as "angels" or "messengers of the gods". He later expanded this specifically in his book *Enoch and the Return of the Gods*

The Historical Context:

Historians and linguists view this from of conversation in a different perspective. They note that to be safe these Second Temple Jewish writers were using **apocalyptic imagery** to make or describe these events happening in their day that caused them real-world wars, political dangers and strife due to the UFO incidents and occupations they were experiencing. They also attributed the rise of advanced warfare (metal weapons) to the teachings of these fallen beings. These ancient writers were creating a spiritual or theological explanation for the origin of human evil and suffering that was happening in the world.

Whether Enoch's texts were viewed as a metaphysical religious texts, a historical allegory, or a precursor to modern alien lore, the narrative structure of Enoch remains one of the most unique and influential "sky-being" stories in ancient human history.

JESUS SPOKE OUT AGAINST THE WATCHERS

Jesus spoke directly against the legacy of the Watchers by **declaring that his mission was to undo the cosmic rebellion and corruption they brought to the earth.**

While Jesus does not explicitly use the word "Watcher" in the canonical gospels, first-century Jews fully understood his teachings, parables, and miracles as a direct war against the forces unleashed by the Watchers. Modern biblical scholars, such as Dr. Michael Heiser in his book *Reversing Hermon*, noted that the New Testament writers framed Jesus's ministry as a total reversal of the Watchers' sins.

Jesus directly confronted and spoke against the legacy of the Watchers through several key actions and teachings

During Jesus ministry he was Pronouncing Judgment on them and declaring there Fate

In Matthew 25:41, Jesus explicitly sentences the wicked at the final judgment, telling them to depart into *"the eternal fire prepared for the devil and his angels."* This is a reference to the inner earth.

- **The Enoch Connection:** The concept of an eternal fiery prison specifically designed for fallen divine beings is not detailed in the Old Testament, but it is the central plot of the "*Book of the Watchers* (1 Enoch 10:4-6, 54:6)." Jesus was directly invoking the known fate of the Watchers when he describes hell.
-

And as He prayed, the fashion of His countenance was altered, and His raiment was white and glistering.
Luke 9:29
DIVINE PRESENCE GOSPEL FELLOWSHIP

The Radience of Glory of the Lord shown around him.

The Location of the Transfiguration (Mount Hermon) was where Jesus chose to materialize to his followers.

It appears thatJesus chose a highly specific geographical location to reveal his full divine glory and plan to his

disciples. According to historical geography, the Transfiguration likely took place on **Mount Hermon**.

The Significance of this choice is as follows: According to 1 Enoch 6:6, Mount Hermon was the exact "ground zero" where the 200 Watchers descended to earth and swore their rebellion against God. It was a

Message to aliens that occupied that space in tlime: By standing on Mount Hermon and revealing his supreme authority, Jesus appears to have been staging a spiritual counter-invasion. He was effectively declaring to the evil spiritual forces of the Watchers that their territory was being reclaimed or taken over by him at the time.

He seemed to have been Exorcising Demons (The Offspring of the Watchers) In the Jewish worldview of Jesus's day, **demons weren't simply fallen angels; they were the disembodied spirits of the Nephilim Giants** who were the hybrid children of the Fallen Watchers some of whom died in the Great Flood (1 Enoch 15:8-10).

Every time Jesus cast out a demon, he was actively fighting and speaking against the leftover corruption of the Watchers. When the demons begged Jesus in Luke 8:31 not to command them *"to go into the abyss,"* they were terrified because the **"abyss" was the specific prison where God had locked away their Watcher fathers (1 Enoch 10:4).** Today we have a report from Admiral Byrd who was abducted by the Nazis into their underground facilities in Antarctica. There he met "the MASTER" who was reportedly a leader of the aliens inside the earth.

Hybrid Nephilim Giants

Peter and Jude Explicitly Confirm This

Jesus's immediate disciples explicitly wrote about how Jesus dealt with the Watchers. In 1 Peter 3:19-20, Peter writes that, Jesus *"went and proclaimed to the spirits in prison,"* referring to the fallen angels who disobeyed during the days of Noah (the Watchers). Jesus went to their prison realm to

proclaim his ultimate victory over them. **Jude 1:6** echoes this, noting that the angels who abandoned their proper dwelling are being kept in eternal chains in gloomy darkness until the judgment.

WHAT DID JESUS SAY ABOUT WHO CREATED THE WATCHERS

Jesus did not say who created the Watchers by name, but he did explicitly state who created the specific world, context, and destiny of the angels (which includes the Watchers). When Jesus addressed the origin and nature of heavenly beings, he used two specific points of reference:

1. The Father Created the Invisible Kingdom

When Jesus spoke of ultimate creation, he attributed all heavenly design directly to **God the Father**.

The Heaven of Heavens: In Matthew 18:10, Jesus refers to the origin of the heavenly hosts. He warned these aliens stating, *"See that you do not despise one of these little ones. For I tell you that in heaven their angels always see the face of **my Father who is in heaven**."* Jesus explicitly establishes the Father as the supreme authority and architect over the entire angelic realm. **Jesus Claimed Pre-Existence as the Creator of all and everything just as the Apostle Paul stated.**

While Jesus walked the earth as a man, he made direct statements claiming that **He Himself** existed before the world was made and was present at the inception of the heavenly hosts **before the World Existed:** In John 17:5, Jesus prays to the Father, asking to be glorified *"with the glory that **I had with you before the world existed**."*

T**he Apostolic Doctrine was created** because of these direct statements from Jesus, his immediate disciples openly

taught that Jesus was the active agent of creation for the spiritual realms. As Colossians 1:16 states based on Jesus's teachings, *"For **by him all things were created**, in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities.*

Why Jesus Didn't Use the Word "Watcher"

Jesus was speaking to a 1st-century Jewish audience that used the terms **"Angels" (Aggeloi)** and **"Sons of God"** interchangeably with the Aramaic term **"Watchers."** When Jesus spoke about the "angels of heaven" in Mark 12:25 he was specifically noting that they (aliens) do not marry or procreate. Jesus was directly referencing the exact theological understanding regarding their original design before the fall of the Fallen Watchers that was also established in the *Book of the Watchers* regarding their original, holy design before their fall.
